PREFACE.

The collections herein described are the property of Mr. E. G. Chandlee and Mr. J. A. Glassmann, both of Philadelphia. Each of these gentlemen has been collecting for upwards of twenty-five years, and the assortment of coins acquired is so varied and numerous that we feel sure every collector receiving this catalogue will find some lot to interest him and to bid for. Any one receiving this catalogue from us who is no longer interested in the pursuit will confer a favor by sending a postal to that effect, so his name may be dropped from our mailing list. Collectors, we feel, are not cognizant of the labor and expense attending the issuance of these auction sale catalogues, some of which consume months of time in their preparation, and never less than an actual cash outlay of 25 cents for every copy printed ; so, is it any wonder we like to receive encouragement in the form of a few bids from nearly every recipient.

The number of lots (904) in this sale is the greatest, we believe, ever sold in one day, but we feel sure we can successfully accomplish it with our bright and quick auctioneer, and that intending buyers will find it more profitable to spend one day, than were two days of 450 lots offered.

Catalogues will be priced after sale for 40 cents (cash with order). Every coin and medal is guaranteed genuine.

The coins will be on exhibition from 9 A. M. to 12.30 P. M. Hoping to have a large attendance at the sale, we remain,

Very respectfully,

S. H. & H. CHAPMAN,

NUMISMATISTS,

1348 Pine St., Philadelphia.
